Testimonial

David Craig, Church Leader

"In early 2012 I began to facilitate a 24 hour gathering, three times a year, for church leaders in Dorset and Hampshire. The purpose is to build relationships between leaders and provide a safe and confidential environment where leaders can share together and receive prayer and encouragement and support.

There are now two groups of leaders meeting together three times a year and we are so thankful to God for His presence with us and blessing on us.

When planning for the commencement of this new venture I wanted somewhere for us to meet which would be relaxing, involve as little travel as possible and be inexpensive. I knew Sandyholme from a visit with Blair Crawford some years before and it has proved to be absolutely superb for our purpose. It is set in a beautiful area just a few minutes walk to the shoreline at Studland. Sandyholme is ideal for us and we are very grateful to the YMCA and Ian Brown who administers the property for our welcome and for the peace and comfort provided. It is a great place for small groups like ours who want to "get away" and yet use up as little time as possible in travel."
