## Testimonial

### The Smiths

" We have two children age 6 and 3 and we had a fantastic time at Sandyholme.

It is the perfect location for a young family, plenty to see and do, and all on your doorstep. Our stay revolved around the beautiful Studland beach and local town of Swanage. In one week we managed to tick off a variety of activities. Highlights included sea fishing with Captain Jack which was very child friendly catching Mackerel and Pollock.

We also had the good fortune of lovely weather which enabled us to hire out a Topaz 14 Catamaran on Studland beach. We took advantage of the crabbing in Swanage! This kept our boys entertained with all equipment being purchased easily from the shops on the sea front. Facilities were also very good in Swanage with a range of shops and cafes, some with wifi facilities and of course the arcades and infamous 2p slot machines.

**Sandyholme really looked after us. Facilities were spot on for our general needs and we look forward to returning next year."**
