Our Trainers

Robust Safety Solutions are available to help with health and safety management for you and your staff. They are fully qualified and highly experienced to help you grow your business safely and securely. They are registered with UK Qualifications Network (UKQN) to deliver nationally qualifications that are regulated by Ofqual.

Nuco Training prides itself on the quality of service and support given to all their customers. At YMCA Bournemouth, our trainer has joined the largest network of First Aid instructors in the UK. We provide First Aid training that's regulated by First Aid Awards Ltd, Ofqual and SQA awarding organisations for those that need it.

Keystrokes was founded by Linda Honeyborne. She has over twenty years' experience in Computing and ICT teaching and lecturing in schools and one-to-one tuition and support. She also has Computer Science and IT qualifications. Through attending Keystrokes courses, anyone can gain an OCR IT Qualification.

Alison
Orman

Alison Orman comes from a background in Accountancy and moved into the voluntary sector due to a passion for making a difference. She worked as a senior manager in the area of independent living for disabled people for 11 years. She now provide training such as Professional Boundaries and Equality and Diversity.

The Royal Life Saving Society UK have been saving lives and preventing drowning since 1891. At YMCA Bournemouth, our trainer supports their values of having an honest and competitive service, meaning they support you through the process of building and creating safer sites for everyone. They are regulated by Ofqual.

Our Partners

Safe Space Consultancy has received a Social Entrepreneur Award in 2016. They work closely with Dorset Rape Crisis and hArt to provide support to individuals, as well as to engage businesses to create safe and healthy workplaces where the message is abuse, stalking and harassment is unacceptable. They help business achieve this through bespoke consultancy services, accredited training and support.
